

LEARNING GOALS

UHD VISION: To create transformative living and learning environments where students feel safe, involved and inspired to change the world.

UHD MISSION: University Housing and Dining cultivates inclusive learning communities that foster student engagement, growth and success.

EDUCATIONAL PRIORITY: As a result of living on campus, students will be responsible and culturally competent community members.

LEARNING GOALS

1. RESIDENTS WILL USE APPROPRIATE SELF-MANAGEMENT STRATEGIES.

RESIDENTS WILL BE ABLE TO:

- a) Manage emotions.
- b) Make responsible decisions.
- c) Address problems appropriately.
- d) Develop goals and plans.
- e) Prioritize commitments.

Learning how to live independently and interdependently are important skills for living a balanced life. Residents will take responsibility for their own well-being, use appropriate self-management strategies, and seek resources to manage their interpersonal affairs.

2. RESIDENTS WILL ENGAGE IN COMMUNITY.

RESIDENTS WILL BE ABLE TO:

- a) Identify within a community.
- b) Interact and communicate with others effectively.
- c) Develop positive relationships.
- d) Participate in civic life.

Building and maintaining positive relationships are essential for establishing and engaging in a caring community. Residents will see themselves as a member of a community, resolve interpersonal conflicts with effective communication, and recognize their contributions to and impact on the community as a whole.

3. RESIDENTS WILL DEMONSTRATE CULTURAL COMPETENCY.

RESIDENTS WILL BE ABLE TO:

- a) Articulate their own identities.
- b) Understand and express personal values and viewpoints.
- c) Bridge differences and commonalities.
- d) Affirm and celebrate others.
- e) Advocate for diversity, inclusion, and equity.

In today's global world, it is important to be culturally competent. Residents will recognize the importance of being open-minded, flexible, and enhancing their knowledge and skills in order to effectively communicate and interact with others. We desire that residents embrace and advocate for others and practice resiliency, civility, and understanding with an ultimate goal of having a positive impact on others and society as a whole.
